R E P O R T

[To accompany H. Res. 949]

The Committee on Rules, having had under consideration House Resolution 949, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of the Senate amendment to H.R. 2028, the Energy and Water Development and Related Agencies Appropriations Act, 2016. The resolution makes in order a motion offered by the chair of the Committee on Appropriations or his designee that the House concur in the Senate amendment to H.R. 2028 with an amendment consisting of the text of Rules Committee Print 114-70 modified by the amendment printed in this report. The resolution waives all points of order against consideration of the motion. The resolution provides that the Senate amendment and motion shall be considered as read. The resolution provides one hour of debate on the motion equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations.

Section 2 of the resolution provides for consideration of S. 612, to designate the Federal building and United States courthouse located at 1300 Victoria Street in Laredo, Texas, as the “George P. Kazen Federal Building and United States Courthouse,” under a closed rule. The resolution provides one hour of debate equally divided among and controlled by the respective chairs and ranking minority members of the Committees on Energy and Commerce, Natural Resources, and Transportation and Infrastructure. The

resolution waives all points of order against consideration of the bill. The resolution provides that an amendment in the nature of a substitute consisting of the text of Rules Committee Print 114–69 shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions in the bill, as amended. The resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the motion related to H.R. 2028 includes waivers of the following:

- Clause 7 of rule XVI, which requires that no motion or proposition on a subject different from that under consideration shall be admitted under color of amendment;
- Section 306 of the Congressional Budget Act of 1974, which prohibits consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Committee on the Budget;
- Section 3304 of S. Con. Res. 11, which prohibits consideration of a continuing appropriation that provides for advance appropriations; and
- Section 314 of the Congressional Budget Act of 1974, which prohibits consideration of legislation that provides budget authority for a fiscal year that exceeds either of the discretionary statutory spending limits. The waiver is necessary because the non-defense limit as established under law has been exceeded.

The waiver of all points of order against consideration of S. 612 includes waivers of the following:

- Section 303 of the Congressional Budget Act of 1974, which prohibits consideration of legislation that provides a change in revenues for a fiscal year until the budget resolution for that year has been agreed to;
- Section 306 of the Congressional Budget Act of 1974, which prohibits consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Committee on the Budget; and
- Section 311 of the Congressional Budget Act of 1974, which prohibits consideration of legislation that would cause revenues to be less than the level of total revenues for the first fiscal year or for the total of that first fiscal year and the ensuing fiscal years for which allocations are provided.

Although the resolution waives all points of order against provisions in S. 612, as amended, the Committee is not aware of any points of order. The waiver is prophylactic in nature.
